Dear Tessa-Marie Burns

We act on behalf of Shell U.K Oil Products Limited ("our Client").

As we have not received from you an undertaking (a promise) to the Court that you will not breach the terms of the injunction, our Client concluded that it was appropriate to apply to join you as a defendant to the proceedings under the powers contained in Rule 19.4 of the Civil Procedure Rules.

We confirm that our Client has now made that application to Court, and the hearing to consider that application has been listed by the Court to take place on 11 March 2024 ("the Hearing"). The time of the Hearing has not yet been confirmed by the Court but will be available on the daily cause list which can be accessed at: <https://www.gov.uk/government/publications/royal-courts-of-justice-cause-list>

XR Art groups are at the heart and soul of XR's action design, messaging and outreach; from graphic design and Art Blockers printing to 3D protest architecture, music, choreography and dance.

The original Art group sits within M&M and is integral to XR's messaging and graphic design. Contact xrdesigngroup@gmail.com for graphic design support and introduction to the **XR Design Programme**. This includes download links for designers to use the font (strictly non-commercial use only), some banner templates, colour schemes, graphic assets and more. These can also be found on the XR website.

Creative Circle groups work closely with Action Planners: [XR Arts - Groups & Campaigns](#). Get in touch directly with your region or ask us here for a specific contact with your **Regional Arts coordinator** (this info is confidential).

Hi there,

Thanks for your email about XR Facebook events. This inbox is checked most days but we are all volunteers - please be patient if you don't hear back straight away.

If you are new to setting up and promoting XR Facebook events, please [take a look at the guide here](#). This is important if you are based in London and would like to set up an event there.

If you have an existing Facebook event and are looking for support to promote it, please flag that in your email and we will do what we can to help. Please state whether it's a London or UK wide event.

Please note, we are no longer able to accept co-host requests for regional or local events to be listed on the Extinction Rebellion or Extinction Rebellion UK Facebook pages. This is because there were too many events listed on these pages - it was very difficult for people to find events near them in the list. If your event is UK-wide or International, please do send a co-host request.

Alternatively, if you'd like to submit an XR event for the UK, London or International Facebook page, please make sure you have sent the below to me:

- Event name
- Event image (a Facebook banner is ideal)
- Event location
- Event start and end time
- Event date
- Event frequency (e.g. once a week)
- Short description of the event
- A URL (web link) if you are selling tickets or have a website with more info
- Private or open event?
- Child friendly?

That will help me get your event up on Facebook speedily. If you need anything extra or have questions, pop it in your reply.

Thanks,

Lorriane, Ben and the Social Media team

Hi there,

Thanks for your email about XR Facebook events. This inbox is checked most days but we are all volunteers - please be patient if you don't hear back straight away.

If you are new to setting up and promoting XR Facebook events, please [take a look at the guide here](#). This is important if you are based in London and would like to set up an event there.

If you have an existing Facebook event and are looking for support to promote it, please flag that in your email and we will do what we can to help. Please state whether it's a London or UK wide event.

Please note, we are no longer able to accept co-host requests for regional or local events to be listed on the Extinction Rebellion or Extinction Rebellion UK Facebook pages. This is because there were too many events listed on these pages - it was very difficult for people to find events near them in the list. If your event is UK-wide or International, please do send a co-host request.

Alternatively, if you'd like to submit an XR event for the UK, London or International Facebook page, please make sure you have sent the below to me:

- Event name
- Event image (a Facebook banner is ideal)
- Event location
- Event start and end time
- Event date
- Event frequency (e.g. once a week)
- Short description of the event
- A URL (web link) if you are selling tickets or have a website with more info
- Private or open event?
- Child friendly?

That will help me get your event up on Facebook speedily. If you need anything extra or have questions, pop it in your reply.

Thanks,

Lorriane, Ben and the Social Media team

Hello wonderful rebels!

We get lots of messages and hope the links below will help guide you to the right creative group contact. Please bear with us for responses.

With love, grief, rage and deep gratitude x

XR Art groups are at the heart and soul of XR's action design, messaging and outreach; from graphic design and Art Blockers printing to 3D protest architecture, music, choreography and dance.

The original Art group sits within M&M and is integral to XR's messaging and graphic design. Contact xrdesigngroup@gmail.com for graphic design support and introduction to the **XR Design Programme**. This includes download links for designers to use the font (strictly non-commercial use only), some banner templates, colour schemes, graphic assets and more. These can also be found on the XR website.

Creative Circle groups work closely with Action Planners: [XR Arts - Groups & Campaigns](#). Get in touch directly with your region or ask us here for a specific contact with your **Regional Arts coordinator** (this info is confidential).

XR Arts 'How To' guides, zines and videos are on page 2.

[XR Arts - Action Design](#) gives useful pointers when designing for an action, including information about Art Assets (banners, flags etc)

Visit [XR Art Blockers](#) or contact artblockers@gmail.com for printing, painting, woodblocks and flag-making guidelines.
